

I received a letter from my K-LOVE station asking me to express to you how I feel about the proposed LPFM changes. I feel K-LOVE serves me as a resident in my local community even though it is an FM translator station. The possible effect on the local community if it were to be displaced by an LPFM broadcaster would be terrible. FM translator stations like K-LOVE are very much in the public interest. K-LOVE is a positive and encouraging station which serves thousands of people each day in my local area. Please allow them to keep broadcasting. Thanks for the opportunity to comment.
